About the *Literary Legends* Society

Philanthropic giving can be an important part of the legacy you choose to leave. The *Literary Legends* Society is an honorary group recognizing the generosity of individuals who, during their lifetimes, include the KCLS Foundation in their estate plans or who have made another type of planned gift.

As a member of the KCLS Foundation's *Literary Legends* Society you will receive the following exclusive benefits:

- Recognition as a *Literary Legend* in KCLS Foundation's Gratitude Report
- Access to behind-the-scenes tours
- Invitations to special events and author visits
- Copies of KCLS Foundation Newsletters

Become a *Literary Legend* by doing one of the following:

- Name the King County Library System Foundation to receive a bequest through your will or living trust.
- If you already have a will or living trust, execute a Codicil naming the King County Library System Foundation to receive a bequest.
- Establish a charitable trust to benefit the King County Library System Foundation.
- Make a gift of real estate, life insurance, qualified retirement plan assets, savings bonds, or personal property.

If your legacy plans currently include the KCLS Foundation, please let us know so we can thank you. If you would like to remain anonymous, we will honor your wishes.

For over 25 years, incredible donors and leaders like you have been the key to ensuring that KCLS libraries are a vibrant component of our community. Thank you for being part of this journey. **You are funding the future of libraries in King County!**
